## **Saudi Arabia security – Redline for the Muslim**

The western media outlets have historically singled out Saudi Arabia for its unjust, fabricated attacks. Why is this the case for a country where there is better security than any other place, the lowest rate of crime and it's people are in a state of happiness, contentment and supportive of it's Rulers? Sadly of late many of the Muslims have fallen into this trap of criticizing Saudi Arabia and believe it is a matter of opinion or mere politics. But rather our interaction and opinion regarding the land of the Muslims and its Rulers is a matter of the Shariah so therefore one should speak with knowledge and justice.

The enemies wish to destroy the security of the Muslims nations, causing divisions by destabilizing the unity of the Muslims by promoting and aiding newly founded sects who oppose the Quran and the Sunnah upon the understanding of the Sahabah. In addition to this the Muslims have started to promote the secularists, liberals, communists, socialists, democrats, the Rafidah, and those who crave for division amongst the Muslims. Once divisions are

created through these foreign backed sects such as Ikhwaan (The Muslim Brotherhood or Jamāt Islami) they make the Muslims weaker and open the way for the Kufaar to attack ideologically, militarily, politically and economically. This is why maintaining the unity is from the principles of Ahlus Sunnah wal Jamaah, the unity in Saudi Arabia has been maintained upon the Haqq which is the Dawah of Tawheed. In Saudi Arabia there is only one group which is the “Jamaah” (Ahlus Sunnah Wal Jamaah) and there is no room for multiple deviant groups.

سَمِعْتُ عَرْفَجَةَ ، قَالَ : سَمِعْتُ رَسُولَ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ ، يَقُولُ :  
إِنَّهُ سَتَكُونُ هَنَاتٌ وَهَنَاتٌ ، فَمَنْ أَرَادَ أَنْ يُفَرِّقَ أَمْرَ هَذِهِ الْأُمَّةِ وَهِيَ جَمِيعٌ ،  
فَاضْرِبُوهُ بِالسَّيْفِ كَانِنًا مَنْ كَانَ

On the authority of 'Arfaja who said:

I have heard the Messenger of Allāh say: Different evils will make their appearance in the near future. Anyone who tries to disrupt the affairs of this Ummah while they are united you should strike him with the sword whoever he be. (Narrated by Imam Muslim)

The Muslim should stay away from all these groups who wish to plant the seeds of discord, these are the Ahlul Bidaah and at the head of them the terrorist Ikhwaan-ul-Muslimeen (Muslim Brotherhood and its offshoots).

Security is a great blessing and no one knows its worth except the one who has lived in a war zone such as Syria, Iraq, Libya or Afghanistan. It is only once security has been established that a person can establish the Prayer in the Masaajid and carry out the other obligations of the Shariah. This is why Ibraheem Alayhi salaam asked Allāh to make the Land secure, free from fear.

وَإِذْ قَالَ إِبْرَاهِيمُ رَبِّ اجْعَلْ هَذَا بَلَدًا آمِنًا وَارْزُقْ أَهْلَهُ مِنَ الثَّمَرَاتِ مَنْ آمَنَ مِنْهُ بِاللَّهِ وَالْيَوْمِ الْآخِرِ

And (remember) when Ibrahim (Abraham) said, ***"My Lord, make this city (Makkah) a place of security and provide its people with fruits, such of them as believe in Allah and the Last Day."***

The greatest blessing found in Saudi Arabia is the blessing of Tawheed, the abundance of knowledge. The knowledge of Tawheed- which is the right of

Allāh upon His slaves and the knowledge of the Sunnah of the Messenger of Allāh is taught throughout Saudi Arabia thus establishing a state upon Tawheed, the Sunnah and security in the Deen and the Dunya. For indeed security cannot be maintained where there exists the greatest oppression, the crime of Shirk. Security is only maintained and truly established when there is the presence of Tawheed when there is true Emaan and Taqwa of Allāh. The Slaves of Allāh obey Allāh and His Messenger, fearing Allāh and not oppressing each other thus security is established, free from all types of oppression.

Allāh mentioned in His Noble Book:

الَّذِينَ آمَنُوا وَلَمْ يَلْبِسُوا إِيمَانَهُمْ بِظُلْمٍ أُولَٰئِكَ لَهُمُ الْأَمْنُ وَهُمْ مُهْتَدُونَ

***And those who believe in Allaah (upon Tawheed) and do not mix their Emaan with oppression (shirk) then they are those who have security (in the Dunya and the Hereafter) and they are rightly guided.***

Saudi Arabia consists of the most pure land of Madinah and Makkah, loving Madinah and Makkah

is a sign of Emaan and hating Madinah and Makkah is a sign of hypocrisy.

The Prophet said, ***"Madinah is a sanctuary from that place to that. Its trees should not be cut and no heresy should be innovated nor any sin should be committed in it, and whoever innovates in it heresy or commits sins (bad deeds), then he will incur the curse of Allah, the angels, and all the people."*** Bukhari

Every enemy of the Dawah to Tawheed hates this country which is the only country on the face of the earth which rules by what Allāh has revealed. The Kufaar and the Rafidah and the rest of Ahlul Bidaah are united in bringing chaos to this land of Tawheed, Saudi Arabia. Tawheed is the absolute Justice and Shirk is the total darkness which engulfs the Rafidah and the Kufaar.

The enemies want to ruin the security of this nation and the pretext is the implementation of democracy, human rights, acceptance of multiple sects and so on. All of this politics aims to destroy the security of this country by causing division amongst the Muslims so that they are weakened. As is apparent

that in a democracy the different factions resort to fighting each other thus undermining the Ruler and halting the progress of the country. Human rights are the devil's deception to introduce a liberal system whereas the Shariah enshrines and secures the rights of everyone including the animals. And as for the different sects which historically have been supported and established by the foreign governments in order to deviate and weaken the Muslims. All of these groups are in actuality terrorist organisations whether they take the form of the political democratic Ikhwaan or the filthy Rafidah nation.

Anyone who understands the importance of Tawheed which is the right of Allāh upon his slaves will come to know that what Saudi Arabia has done with regards to the propagation of the Aqeedah of Tawheed is heavy on the scales of good deeds with Allāh . ﷻ

Only the one who is truly aware of the virtues of Tawheed will love the land of Tawheed, indeed the Aqeedah of Tawheed is the most pleasing deed to Allāh, it is the basis of the Deen of Islaam, without it,

no deeds are accepted by Allāh, it is heavy on the scales. So if you know this then you know that the foundation of Saudi Arabia is the Aqeedah of Tawheed as projected in the Saudi flag, in the Justice system, in the legal system, in the politics, in the Jihaad, in the Education system, in the Universities, in the hearts of the Ulama and the Rulers, and so on.

Saudi Arabia has demonstrated with its fight against the Houthis which is considered to be Jihad in the path of Allāh, for the sake of Allāh, to make the word of Allāh superior and to defeat the Shirk and its people, the evil oppressive Houthis. So the Saudi Army which guards the Haramain, provides assistance to the pilgrims, defends the borders and fights the enemy is indeed the best of the Mujaahideen. We ask Allāh to grant them victory and to protect them from every evil.

وعن أنس رضي الله عنه قال: سمعت رسول الله صلى الله عليه وسلم يقول: "قال الله تعالى: يا ابن آدم إنك ما دعوتني ورجوتني غفرت لك ما كان منك ولا أبالي، يا ابن آدم لو بلغت ذنوبك عنان السماء، ثم استغفرتني غفرت لك ولا أبالي، يا ابن آدم إنك لو أتيتني بقراب الأرض خطايا، ثم لقيتني لا تشرك بي شيئاً، لأتيتك بقرابها مغفرة"

Anas (May Allāh be pleased with him) said:

***I heard the Messenger of Allāh saying, "Allāh, the Exalted, has said: 'O son of Adam! I shall go on forgiving you so long as you pray to Me and aspire for My forgiveness whatever may be your sins. O son of Adam! I do not care even if your sins should pile up to the sky and should you beg pardon of Me, I would forgive you. O son of Adam! If you come to Me with full of sins and meet Me, not associating anything with Me in worship, I will certainly grant you as much pardon as will fill the earth.'"***

So this is the value of Tawheed with Allāh, that it is the key to Paradise. Therefore Saudi Arabia is the country which propagates the Aqeedah of Tawheed with full force and refutes the evil of Shirk. This deed is indeed heavy on the scale and for this alone we firstly thank Allāh and then the Rulers of Saudi Arabia who have established the right of Allāh ﷻ in this land may Allāh preserve it and increase its blessings.

As for those who do not value Tawheed and are ignorant or those who are people of Shirk and want

to destroy this very foundation then they are enemies to this state and enemies to this Aqeedah of Tawheed. For these people, they should educate themselves on the meaning of worship of Allāh and know the reality of Shirk with Allāh.

قَالَ رَسُولُ اللَّهِ - صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ - " يُصَاحُ بِرَجُلٍ مِنْ أُمَّتِي يَوْمَ الْقِيَامَةِ عَلَى رُءُوسِ الْخَلَائِقِ فَيُنْشَرُ لَهُ تِسْعَةٌ وَتِسْعُونَ سِجْلًا كُلُّ سِجْلٍ مَدَّ الْبَصَرِ ثُمَّ يَقُولُ اللَّهُ عَزَّ وَجَلَّ هَلْ تُنْكِرُ مِنْ هَذَا شَيْئًا فَيَقُولُ لَا يَا رَبِّ فَيَقُولُ أَظْلَمْتُكَ كَتَبْتَنِي الْحَافِظُونَ ثُمَّ يَقُولُ أَلَيْكَ عَذْرُ أَلَيْكَ حَسَنَةٌ فِيهَا الرَّجُلُ فَيَقُولُ لَا . فَيَقُولُ بَلَى إِنَّ لَكَ عِنْدَنَا حَسَنَاتٍ وَإِنَّهُ لَا ظُلْمَ عَلَيْكَ الْيَوْمَ فَتُخْرَجُ لَهُ بِطَاقَةٌ فِيهَا أَشْهَدُ أَنْ لَا إِلَهَ إِلَّا اللَّهُ وَأَنَّ مُحَمَّدًا عَبْدُهُ وَرَسُولُهُ قَالَ فَيَقُولُ يَا رَبِّ مَا هَذِهِ الْبُطَاقَةُ مَعَ هَذِهِ السِّجَلَاتِ فَيَقُولُ إِنَّكَ لَا تُظْلَمُ . فَتُوضَعُ "السِّجَلَاتُ فِي كِفَّةٍ وَالْبُطَاقَةُ فِي كِفَّةٍ فَطَاشَتِ السِّجَلَاتُ وَثَقُلَتِ الْبُطَاقَةُ

‘Abdullah bin ‘Amr narrated that the Messenger of Allāh said:

***“A man from my nation will be called before all of creation on the Day of Resurrection, and ninety-nine scrolls will be spread out for him, each one extending as far as the eye can see. Then Allāh will say: “Do you deny anything of this?” He will say: “No, O Lord.” He will say: “Have My recording scribes been unfair to you?” Then He will say: “Apart from that, do you have***

***any good deeds?” The man will be terrified and will say: “No.” (Allāh) will say: “Indeed, you have good deeds with Us, and you will not be treated unjustly this Day.” Then a card will be brought out on which is written Ash-hadu an la ilaha illallah wa anna Muhammadan ‘abduhu wa rasuluhu (I bear witness that none has the right to be worshipped but Allah, and that Muhammad is His slave and Messenger). He will say: “O Lord, what is this card compared with these scrolls?” He will say: “You will not be treated unjustly.” Then the scrolls will be placed in one side of the Balance and the card in the other. The scrolls will go up (i.e., be light) and the card will go down (i.e., will weigh heavily).”***

The Muslim who understands the above mentioned Hadith will know that just this single deed of the Saudi Government is praiseworthy not to mention that the Government prints copies of the Noble Quran to be distributed worldwide, provides security and world-class facilities to the pilgrims, sponsors

callers to Islam and supports the Muslims worldwide in financial aid and political and military support.

The people of Tawheed make Dua that Allāh ﷻ protects the Land of the Haramain, protects the Rulers, directs the Rulers to every good and makes Saudi stronger. The strength of Saudi Arabia is the strength of the Muslim Ummah as it is indeed is the backbone of the Muslim Ummah.

It's an obligation upon every Muslim to defend this blessed country which to this day propagates the Salafi Dawah establishing the greatest justice which is Tawheed and fighting the greatest oppression which is Shirk.

The Lajnah Ad-Da'imah under the leadership of Imaam Ibn Baz رحمه الله (fatwa 19351) stated:

***"Preference of a secular country over an Islamic country is (in actuality) preference of Kufr over Emaan".***

Furthermore Shaykh Ibn Baz رحمه الله said:

***"The animosity to this nation (Saudi) is animosity to the Haqq and animosity to Tawheed"***

Narrated Sa`d:

I heard the Prophet saying, ***"None plots against the people of Madinah but that he will be dissolved (destroyed) like the salt is dissolved in water."***

قال رسول الله : ( لا تسبوا أمراءكم ولا تغشوهم ولا تبغضوهم واتقوا الله واصبروا فإن الأمر قريب). حديث صحيح رواه ابن أبي عاصم وصححه الألباني

The Messenger of Allāh said ***"Do not abuse your leaders and do not cheat them and do not hate them, fear Allaah and be patient for indeed the affair is close."*** Authentic Hadith narrated by Ibn Abee Aasim and authenticated by Al-Albani.

This hadith outlines how the Muslim should interact with his leader and not cause chaos by revolting against him.

The Khawaarij have historically plotted against the people of Madinah by unjustly killing Umar bin Al-Khattab, Uthman and Ali bin Abee Talib may Allāh be pleased with all of them. These are from the best of the people after the Prophets yet the filthy

Khawaarij killed them. And the Khawaarij of today are the same they hate the best of the Muslim lands since their only objective is to reach the Kursi and illegally acquire the Dunya. The Khawaarij such as Al-Qaeda, Daesh (ISIS), Ikhwaan (Muslim Brotherhood) are those groups which aid the Kufaar in making the lands of the Muslims insecure in order to make an opening for the Kufaar to attack. All the corruption, the evil, Shirk and Bidah, insecurity has come into the lands of the Muslims through the mother of the Khawaarij in this era, the Muslim Brotherhood. Those individuals who prefer a Kafir country over an Islamic country such as Saudi Arabia should examine their Aqeedah and state of Emaan and they will find some serious deficiency which needs to be rectified. Either that individual is a Rafidhi enemy of the Sahabah or a Sufi grave worshipper enemy of the Tawheed of Allāh and the Sunnah of the Messenger of Allāh or a Khariji (ISIS, Al-Qaeda) dying to seek the Dunya or an ignorant fool brainwashed by the media.

Saudi Arabia is the only country that openly calls to Tawheed and the Sunnah and fights against Shirk and Bidaah and implements the Shariah thereby

ensuring justice and protection of the rights of its residents.

May Allāh protect the Kingdom of Saudi Arabia and its wise Rulers.

The enemies wish to destroy the security of the Muslim lands in order to cause chaos thus they can exploit them and profit from that. This has happened to many of the Muslim countries that on the pretext of democracy, free speech, high prices, corruption the people have taken to the streets in order to protest. These protests have ultimately led to greater misery and loss of life and property. So in each of these countries where mass protests have taken place, we find that without any exception the people are in a greater loss, the economy is shattered, the security is non-existent, life is full of fear and there are no medical or educational facilities. The intelligent person will take heed from these lessons and know that the Shariah of Allāh has prohibited such type of Khurooj or protests against the Muslim state.

So, in conclusion, we say that if we truly love Tawheed then our Deen demands from us to love

the Land of Tawheed, Saudi Arabia. So this is the reason we see those with corruption in their Tawheed are the real enemies of the Dawah to Tawheed and Saudi Arabia such as the Ikhwaan, the Khawaarij, the Rafidah, the Sufis and their offshoots. Saudi Arabia is a pillar of security by the grace of Allāh due to the implementation of Tawheed and the Sunnah by the Rulers. May Allāh protect Saudi Arabia and the rest of the Muslim nations.

نسأل الله سبحانه وتعالى أن يوفقنا جميعا لما فيه رضاه، إنه جواد كريم
